CCIS and CCSAC meet the 3rd Tuesday of every month. The meetings are open to the public.

**The Pembina Tigers high school hockey team has 2 games in Cartwright this month. This is a great opportunity for students to support their local team and fellow Cartwright School students.**

In support of I Love to Read Month, our school will be encouraging students to take part in a number of literacy activities during the month of February. This will include the designing of their own bookmark as well as having community readers coming in to elementary classrooms. There will also be Reading Bingo Cards available in the library which will encourage students to accomplish reading activities at home as well as at school.

This is a great month to begin sharing the importance of reading in your own home. Reading to young children helps them develop language as well as social and communication skills. As we age reading helps with continued brain development as we explore complex ideas. It also allows us to learn from other people, and maintain important brain connections that improve and maintain memory. Children of all ages benefit from the modelling of reading, so take some time this month to stop by our wonderful community library, and check out a book.

**\*\*\*\*The PSSD teacher's association is providing two free movie nights for students. Feb 7 - 9 Jumanji will be playing at the Gaiety Theatre in Glenboro at 7:30. On Feb 14 & 15, students are invited to watch Dolittle at the Tivoli Theatre in Pilot Mound at 8:00.**
