Call to Order

With a quorum present, HOC Lovell called the public hearing to order.

Presentations

CAO Mullin provided a general overview of the 2015 financial plan followed by a line by line explanation of every item in the plan. Questions were answered by Staff and Council members as they came up and there were no formal presentations in respect to the financial plan. It is noted that the area of the financial plan covering operating levies and expenses to community facilities created much discussion. Some of the taxpayers in attendance prefer the idea of the pre-1999 “local improvement district” method of taxation over the current “at large” method of taxation.

Adjournment

Seeing no other person interested in making a presentation, asking questions or registering an objection the Head of Council closed the public hearing (11:30 pm)

Rod Lovell, Head of Council
